COMPANY PROFILE

Marlet Flooring was established in 2015 to meet the growing demand of flooring within the Australian market.

Originally specialising in the wholesale distribution of various hard floor solutions, the company has grown to be a leader in not only the B2B supply only chain but now completing installation of all flooring solutions.

Marlet Flooring holds a designated construction license to undertake various medium & large sized projects within the residential, commercial, industrial & government sectors.

We have earned our reputation through client satisfaction & continued results!

WHY CHOOSE US?

Not only can we offer direct factory rates on all our own branded products which include Laminate, LVT Vinyl, SPC Hybrid & Engineered Timber.

Through strategic partnerships with local suppliers & wholesalers, Marlet Flooring can also offer you competitive rates on supply & professional installation of Carpets, Solid Timber, Vinyl Sheet, Tiles & Marble.

All our products are environmentally friendly, high quality & locally tested to meet or exceed Australian Standards.

As interior trends update - we continue to design & expand our range to meet market changes keeping us one step ahead of the competition!
